## **ABOUT**

I am a self-driven and motivated male computer scientist graduate from Chuka university. I am looking for opportunities all over to apply my proven skills in any ICT environment either in software programming to develop innovative solutions, Networking, providing and solving ICT related problems or in Graphics designs. I am always eager and ready to learn new skills in my field from my mentors so as I can grow to become a competent and well-informed computer scientist. I am quick to learn new ideas, I take feedback seriously and taken precautions where necessary positively and can work well in a team to achieve the anticipated result. I can also work under pressure.

## **EDUCATION**
